- AIR Services

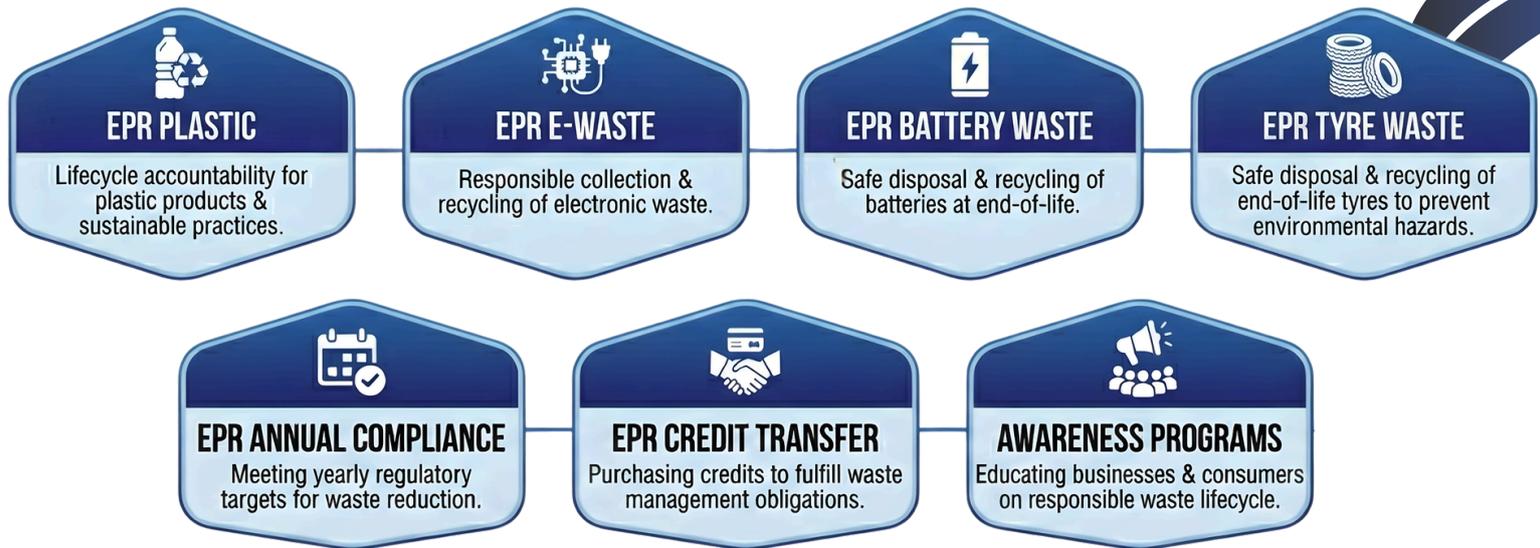

BUSINESS SETUP & COMPLIANCE

WASTE MANAGEMENT COMPLIANCES

Ensuring sustainable practices, regulatory adherence, and minimized ecological impact through effective waste handling, disposal, and recycling.

IMPORT AND EXPORT COMPLIANCES

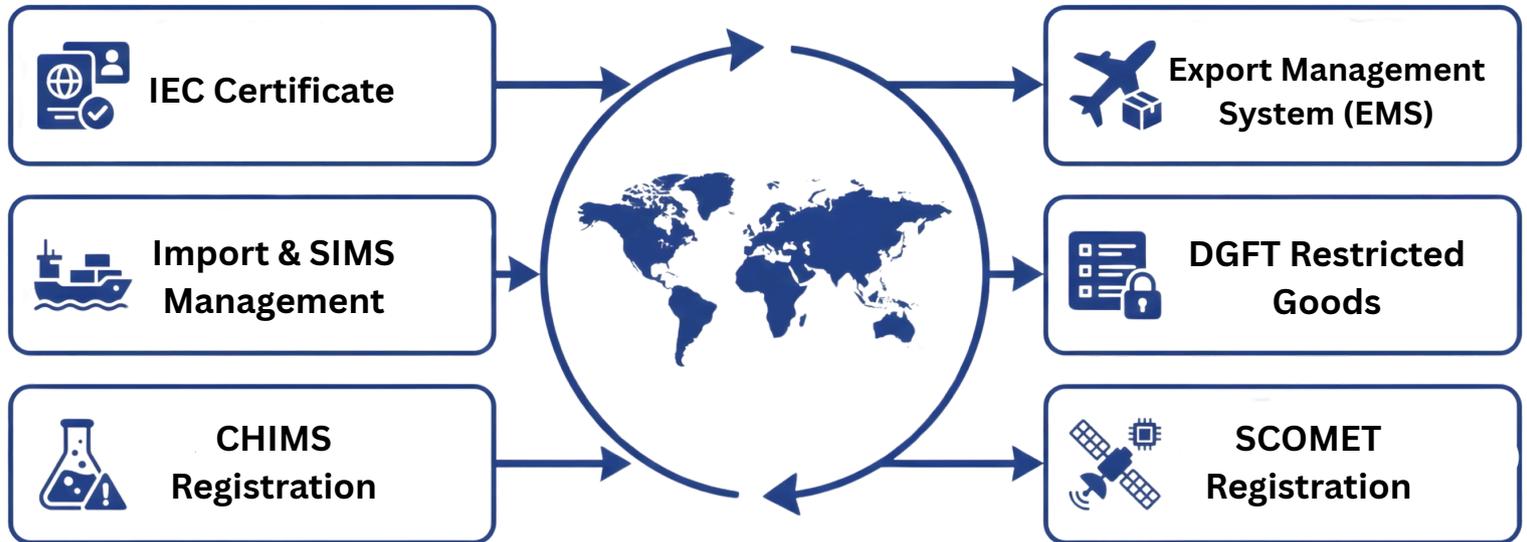

KEY COMPLIANCES

We cover essential requirements like **IEC Certificate** for cross-border trade, **DGFT Restricted Goods authorization**, and **SCOMET Registration** for sensitive items, ensuring full adherence to government regulations.

Navigating Global Trade laws for import, secure and compliant international business operations.

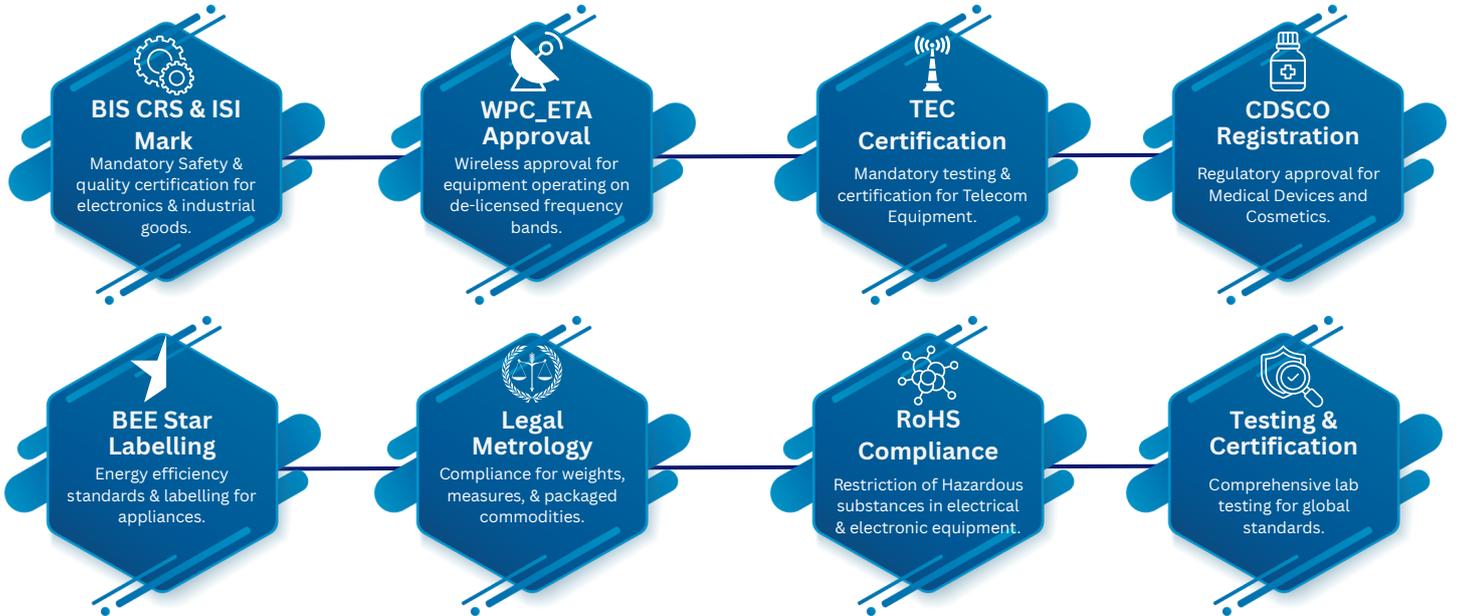

Import-export compliance is necessary to ensure Businesses follow international trade laws, avoid legal penalties, and prevent shipment delays. It helps protect national security, ensures proper taxation, prevents fraud, and maintains smooth global operations. Compliance also builds trust with authorities, partners, and customers while reducing risks of fines or trade restrictions.

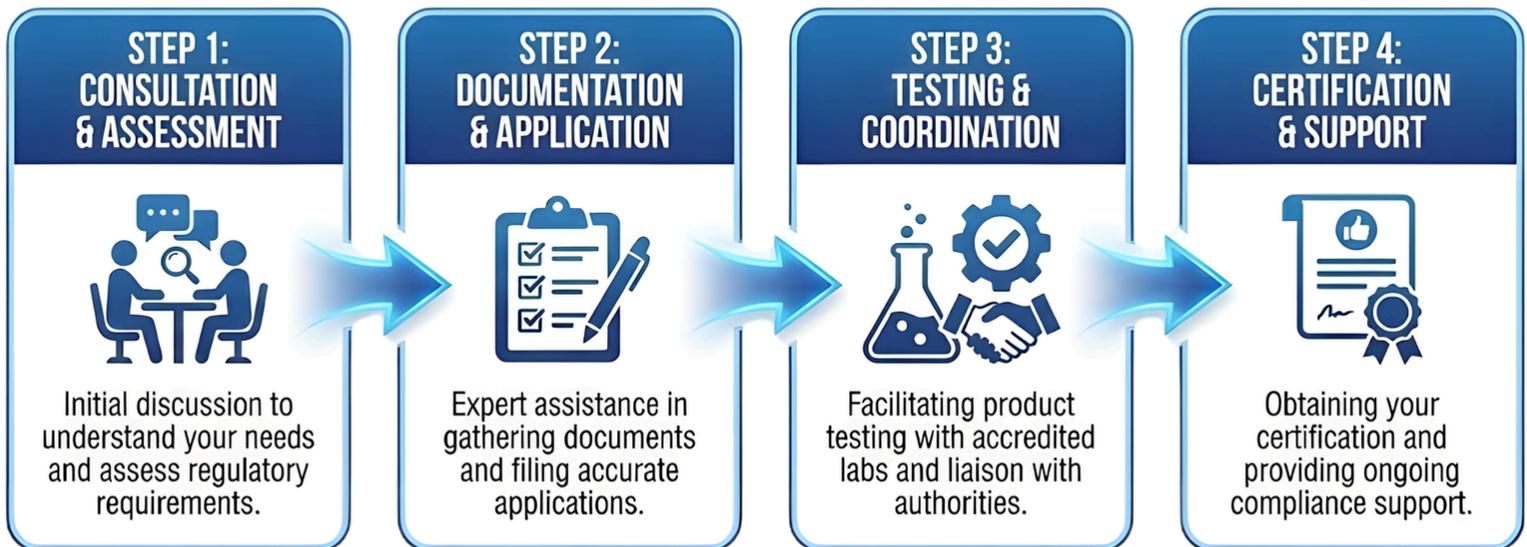

PRODUCT COMPLIANCES

Ensuring product Safety, Quality, and Regulatory adherence for market access and consumer Protection.

A Streamlined 4-step approach to your Compliance Success

SILVEREYE CERTIFICATIONS

PRODUCT TESTING COMPLIANCES

Product testing compliance ensures safety, quality, and legal adherence. It minimizes risks like recalls and penalties, builds consumer trust, and facilitates smooth market entry.
